1. SCOPE OF WORK

This section detailed the responsibilities of the Pen Tester and the client.

1.1 Service Provider Responsibilities

The Pen Tester agrees to perform a structured, non-destructive penetration test (Pentest) against the Client's **agreed-upon In-Scope Items..** The Pen Tester will:

- Legally find weaknesses or vulnerabilities in the Client's systems without causing harm or service disruption.
- Utilize industry-standard tools and methodologies such as Nmap, Metasploit, Burp Suite, Wireshark, SQLmap, as agreed upon during scoping.
- Document all vulnerabilities with detailed explanations, severity ratings, evidence, and impact analysis.
- Provide a final report with managerial and technical remediation steps.
- Maintain strict confidentiality regarding all findings and information related to ParoCyber.

1.2 Client Responsibilities

The Client agrees to:

- Provide complete and accurate information about all **In-Scope Items**.
- Grant explicit, written legal authorization for the Pen Tester to perform the test.
- Provide necessary access, credentials, or documentation.

- Monitor their systems during the testing window for unusual activity and notify the Pen Tester of any accidental service interruption.

1.3 In-Scope Items (Target Assets)

Testing is strictly limited to the following assets, networks, or applications:

External Network: Public facing infrastructure

Web Application: customer facing web portal (<https://app.parocyber.com>)

Application type: White box

1.4 Out-of-Scope Activities (Prohibited Actions)

The Pen Tester is expressly **NOT AUTHORIZED** to perform:

1. Testing of any asset not explicitly listed in Section 1.3.
2. Social engineering attacks (e.g., phishing, vishing) against any employees of ParoCyber.
3. Physical security testing of ParoCyber facilities.
4. Attacks designed to cause a sustained Denial of Service (DoS) or excessive network traffic resulting in performance degradation.
5. Deletion, modification, or transfer of data, or exceeding the minimum access required to prove vulnerability.

2. DELIVERABLES

The Pen Tester shall deliver the following to the Client on or before **31ST December, 2025**

2.1 Final Summary Report

A comprehensive report covering all aspects of the engagement, including:

- **Executive Summary:** A high-level overview of findings and the overall risk posture, suitable for non-technical leadership.
- **Technical Findings:** Detailed vulnerability descriptions, Proof-of-Concept steps, and evidence.
- **Severity Rating:** Each vulnerability will be rated using the **CVSS v3.1** score, rating, and vector string, as recommended by industry best practices.
- **Remediation:** Actionable recommendations for mitigation or technical solutions for each exploited vulnerability.

2.2 Methodology Log

A clear record of the time spent, tools used, and techniques applied during the testing window.

3. CONFIDENTIALITY

All information gathered, processed, and reported under this Agreement, including but not limited to system configuration, identified vulnerabilities, and the contents of the final report, shall be treated as **Strictly Confidential**.

The Pen Tester pledges not to disclose any Confidential Information to any third party without explicit written consent from the Client, unless required by law.

4. PAYMENT TERMS

- **Initial payment of GH¢1500.00 upon the start of the work**
- **Final payment of GH¢1000.00 after the submission of report**
- **Total Fee: GH¢2500.00**

5. TERMINATION OF AGREEMENT

5.1 Grounds for Termination

Either the Client or the Pen Tester has the right to terminate this agreement before work is completed on the following grounds:

1. If the terms of this Agreement are breached and neglected for seven (7) days after being notified.
2. If the Client requests the Pen Tester to act unethically or illegally in the performance of responsibilities.
3. If environmental safety or technical operational integrity of the Pen Tester is neglected or compromised.
4. If both parties agree in writing to cease the agreement.

5.2 Effects of Early Termination

- The Pen Tester will make a report available documenting work completed up to the date of termination.
- Client is responsible for a pro-rata payment based on work completed, as applicable.

ACCEPTANCE AND SIGNATURES

Warranty: The Pen Tester warrants that the service will be conducted in a professional, ethical, and diligent manner.

Disclaimer: The Pen Tester does not guarantee to find all vulnerabilities and cannot ensure the system's safety from future, unknown exploits.
